

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: January 9, 2023
Item No.: 10.k

Department Approval

City Manager Approval

Item Description: Adopt a Resolution to Approve 2023 Reapportionment of Assessments

BACKGROUND

Whenever the legal description of property changes, it is necessary to reassign previously levied assessments remaining on the property to the proper frontage or area of the new lot or lots. This is called "Reapportionment of Assessments." This typically happens when a property is subdivided or an easement is recorded on the property. The City Council must approve all reapportionments.

Until 1993, each reapportionment was done with a separate Council Action request and Resolution. The need to process separate reapportionments was very costly and time consuming. In the past, there have been as many as 30 reapportionments in a single year. By adopting one resolution authorizing the Public Works Director to reapportion the assessments, the overall process is streamlined and saves time for the City Council and staff.

POLICY OBJECTIVE

The City Council must approve the reapportionment of levied assessments for property subdivisions. The Engineering staff does the calculations to reapportion the assessments and processes all supporting documentation for each request.

BUDGET IMPLICATIONS

There are no budget impacts associated with this resolution.

RACIAL EQUITY IMPACT SUMMARY

This resolution should have no equity impacts since it is administrative in nature.

STAFF RECOMMENDATION

This system has been used since 1993 and has worked well. It is the staff recommendation to continue this action for 2023.
