

In a Perfect World

A Poem by Meghan Seeger

Birds chirp and
The grass hums, the
Sky sings and the water runs
No cars no wars and no politics
Just happiness, life, and enjoyment, all
Is calm and all is right the sun shines, the
Stars twinkle at night, the trees grow, and the
Animals thrive, everyone and everything in perfect harmony
No racism no, hate no anti human comity there's enough love for
Everyone, no one without a home, or food and no people are illegal, lesser
or wrong, the world could be this way if we could, just decide to all get along

This poem shows what the world could be without all the pollution, racism, politics, and fights. without wars, and starvation and poverty. we have so many problems in this world, but the least the city of Roseville can do to help is to listen. Listen to these people who have suffered so much and worked so hard. These people, the people who work day and night to make ends meet, are of the same status as any rich person who can sit on their velvet cushion while watching others do their work for them.

The motto or mantra of Roseville is "Equality for All and Equality in All we do". Now if this were true our working class would have as much money as the business class. All people would truly be treated equally no matter who they are, and we would live in a better society. Now if we want true equality we need to act as such.
