Hi Rachel,

Thank you for sending out the interview link. My first choice would be Chad Kooistra and my second choice would be Bryan Donaldson.

Thank you,

David Dahlstrom

Hi Rachel,

I filled in the chart below for Planning. I assume I do not need to list Tammy McGehee since hers is just a reappointment. She is well qualified and I'd welcome her continuing to serve.

It was challenging to fill in two choices for the planning commission to be honest. I thought Dale was the best fit based on his background. With his owning several properties he brings the perspective of a building owner with an understanding of zoning codes, which I think is valuable especially since Julie Kimble, who is a developer, will be leaving the commission. I also think it's good to have a balance of voices on the commissions and currently all but one member is female. But Dale expressed that his preference would be for another commission and I know Matthew was probably going to be requested on the finance commission. I thought Linda did a nice job interviewing and she clearly cares about the Roseville community. I just thought Matthew and Dale spoke more to their experience with zoning and physical design issues and I think that it's critical on the planning commission to

Thanks for asking for my feedback.

Michelle

***From PCS Chair Bob Murphy:***

Mayor and City Council Members:

I strongly recommend Shawna Dees for reappointment to the Roseville Police Civil Service Commission.

Ms. Boggs has invited me to participate in the Tuesday evening interview session for the commission, but I cannot attend due to previously scheduled out-of-town travel.

However, I can state that Shawna's participation as commissioner and her service as commission recorder/secretary have been exemplary. She has attended all regularly scheduled commission meetings, no small achievement since our commission meetings are held on an as-needed basis and often on very short notice. Her comments, questions and insights during commission meetings demonstrate her interest in the police department and awareness of the importance of a fully staffed and trained department. Her participation as a commissioner has helped ensure that the department operates according to published rules and regulations. She is an experienced commissioner and worthy of reappointment.

If you have any questions, please feel free to contact me.

Sincerely,

Robert Murphy

Chair, Roseville Police Civil Service Commission

***From PWET Chair Bryant Ficek***

Hi Rachel,

Thanks for sending this information over. My comments for the Council on the PWET Commission:

Jarrold Cicha has my support for reappointment to the Commission. Jarrold comes prepared for our meetings and, while not always the most vocal member, asks good questions and provides valued input on our topics. I appreciate his perspective.

New member first choice: Des Mueller

New member second choice: I was intrigued by Leah Montgomery's written information, but was unsure if she withdraw from consideration or was unavailable for the interview. If Leah withdrew, my second choice is Jonathan Simmons.

Looking forward to seeing the selection tomorrow night. Besides the orientation at the end of the month, please let me know if there are any other dates for Commission members, new or current, we should be aware of.

Thanks again,

BJF
