

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: May 22, 2023
Item No.: 10.e

Department Approval

City Manager Approval

Item Description: Adopt a Resolution Approving MnDOT Temporary Permit to Construct – TH 36 Project

BACKGROUND

As part of the Minnesota Department of Transportation’s (MnDOT) list of projects for next summer, they will be resurfacing TH 36 in Roseville including many of the on/off ramps. As part of the project, they will be upgrading pedestrian ramps at the ramp locations to meet current ADA standards. For the Dale Street ramp location, MnDOT needs a Temporary Permit to Construct (Attachment B) from the City since we have an easement over our trail on the west side for the road. The permit gives MnDOT temporary access rights and allows MnDOT to rebuild the pathway and ramps in this area. The attached resolution (Attachment A) authorizes the Mayor and City Manager to sign the permit. The project is scheduled for construction in 2024.

POLICY OBJECTIVE

It is City policy to keep City-owned infrastructure in good operating condition and to keep systems operating in a safe condition.

BUDGET IMPLICATIONS

There are no budget impacts to this permit.

RACIAL EQUITY IMPACT SUMMARY

There should be no equity impacts associated with this project since it is an upgrade to infrastructure and should benefit everyone equally.

STAFF RECOMMENDATION

Staff recommends the Council adopt the attached resolution approving MnDOT Temporary Permit to Construct for work on Dale Street pathway related to TH 36 resurfacing project in 2024.
