

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: December 7, 2020

Item No.: 7.e

Department Approval

City Manager Approval

Item Description: Consider an Ordinance amending Chapter 314.05 adopting the 2021 Fee Schedule

BACKGROUND

Each year the City Council is asked to adopt a Fee Schedule which establishes the fees and charges for service for the City's regulatory functions. The presence of a fee schedule allows regulatory-type fees to be easily identified in one document, as opposed to being scattered throughout City Code. In addition, a fee schedule adopted on an annual basis provides the Council the opportunity to review fees for services in a comprehensive manner.

Over the past several months, Staff has reviewed the direct and indirect costs of these regulatory functions to determine whether fee adjustments are necessary or if new fees should be established. Council reviewed proposed changes at their November 9, 2020 meeting.

All of the proposed changes are highlighted in yellow on the attached Fee Schedule, and generally reflect the need to recover increased regulatory costs, staff time related to special requests, or development-related impacts on city services.

Departmental Staff will be on hand at the Council meeting to address the new fees or suggested changes.

POLICY OBJECTIVE

Adopting an annual fee schedule is consistent with governmental best practices and ensures that the City's regulatory functions are properly funded.

FINANCIAL IMPACTS

Based on the recommended fee adjustments, it is projected that revised fees will generate revenues sufficient to cover the City's added regulatory costs. The applicable revenues and expenditures have been incorporated into the 2021 Budget.

STAFF RECOMMENDATION

Staff recommends that the City Council approve an ordinance and ordinance summary amending Chapter 314.05 adopting the 2021 Fee Schedule.

REQUESTED COUNCIL ACTION

Motion #1: Approve the attached ordinance amending Chapter 314.05 adopting the 2021 Fee Schedule.

Administration

General Business Licenses and Permit Fees:

Removed the following fees due to code changes; Amusement device, Bowling Alley, Game Room, Pool & Billiards, and Theaters.

Reduced the Precious Metal Dealer from \$10,000 to \$3,000 after discussing enforcement with Chief Scheider.

Parks & Recreation

General Business Licenses and Permit Fees:

The Parks and Recreation Commission unanimously recommended that:
Residential Park Dedication Rate increase from \$4000 per unit to \$4250 per unit.

The Parks and Recreation Commission annually reviews the rate in an effort to stay current. The last recommended and enacted increase was for 2017.

The recommendation is largely based on several factors including the:

- Correlation to Roseville's robust, quality Park and Recreation system
- Substantial previous and ongoing investments made
- Significant identified future investments outlined in the CIP
- Provision of an additional revenue source, amongst many; to help to meet community expectations and better align with the 20 year Capital Improvement Program (CIP) to avoid a situation of being underfunded
- Interests and needs identified in the Parks and Recreation System Master Plan
- Roseville Community Surveys that consistently indicate that citizens highly value and desire an excellent park system
- Surrounding area community survey for comparison purposes (survey attached)
- Last increase was 2017- this recommended \$250 increase represents a rounded 2% COLA each year over of the past 3 years when increases were not done
