

What is Hoped of us as Commissioners?

It is highly suggested that we ...

Show up and be seen in the community: participate in community activities and don't be afraid to identify yourself as a member of the HRIEC.

Volunteer extra time as appropriate: volunteer to be a part of the work plan sub groups, attend city council meetings and participate in community events as often as you are able.

Communicate: Talk to members of the community and relay information and insights you gather to fellow commissioners. We all need to understand what our fellow citizens feel about the city.

Be a Roseville booster: This is your community. Being a proud member makes your involvement even better.

Practice HRIEC Public Relations: When you talk to fellow citizens:
Note what topics, questions, misconceptions or feelings they have and relay them to the commission as appropriate.

Get names and contact information if appropriate

Direct people to the city and HRIEC website

Follow up with contacts as appropriate

Refer anything you can't answer to the Commission Chair or staff liaison

We Are Volunteers: As mentioned previously, this is a volunteer position. We all have varying demands on our time. Start somewhere and do what you can.
