Given the current example from New York of what the Omicron Covid variant can do, and our already burdened healthcare systems, now is the time for the Roseville City Council to reinstitute a mask mandate for businesses and other public indoor spaces. Once we see the exponential rise in cases, it will be too late.

I was in Byerlys this morning and noted that 10-20% of customers were not wearing masks. The manager told me they can do nothing about it without a City or State mandate. I am a fully vaccinated individual and provide childcare for my

grandchildren who are not yet old enough to be vaccinated. I cannot afford even an asymptomatic infection which could be passed to them. So I will not enter a store in Roseville until the Omicron surge subsides, even with my N95 mask on, unless there is a mandate and others in our community are required to act responsibly.

Greetings: I live in St. Paul (adjacent to Como Golf Course) but do much of my shopping, etc., in Roseville. I just came from the Target Store on County Road B and was astounded to see so many shoppers not wearing masks! I respectfully urge you to join other metro communities, including suburbs, to adopt mask requirements for indoor shopping and dining in Roseville. (I personally wouldn't object to providing proof of vaccination before being allowed to enter stores, but I know that's not going to happen.)

Thank you.

With the recent re-instatement of indoor masking requirements in  
Minneapolis and St. Paul, I would like to see Roseville doing the  
same.

Thank you,  
Julie

I would like to see Roseville mandate mask wearing in all public places. Our hospitals are full and we are leaving the vulnerable without the services they need. It is a small ask that can make a big difference. Thank you for your consideration.
