Please note, additional parking is not available at the starting line, so we encourage all participants to arrive with their unit or make other arrangements to get to the starting line. Please stop at the designated check-in area prior to proceeding to your assigned lineup position.

## **PLEASE FOLLOW THESE RULES:**

1. **ABSOLUTELY NO ALCOHOL** allowed in the parade, along the parade route, in the parade lineup area, or in the parade pickup areas.

## **NOTHING MAY BE THROWN FROM UNITS - ITEMS MAY BE HANDED OUT AT THE CURB.**

This prohibition is in place to prevent children from running onto the parade route. Children chasing candy on the parade route creates an extremely dangerous situation.

3. Because of the number of units and CTV-15 television coverage, we ask that you please keep the pace even and moving with a maximum distance of 25 feet between units. If parade marshals ask you to move forward, please accommodate their request as we do need to complete the parade by dark.

4. The Reviewing Stand is for judging of the marching bands only. **Please do not stop there to perform.**

5. Please move to the right if you hear a siren. Sirens are used **ONLY BY EMERGENCY VEHICLES.**

6. Each unit should have a fire extinguisher on board.

7. In the event of severe weather and you are advised to seek shelter, please go into the Roseville Area High School, or Roseville City Hall - whichever is closer.

## **PLEASE NOTE:**

- Parking at the starting line is limited to accessible parking (with permit). Carpooling, bicycling and walking is encouraged.
- There are no food vendors nor water fountains near the parade lineup area. Please bring sufficient water (in refillable bottles, preferred) for all your people.
- There are portable restrooms available near the parade lineup area.
- Limited shuttle service is available for those with special needs, from the end of the parade route back to the start area at County Road B-2 and Hamline.
