POLICY OBJECTIVE

Property maintenance through City abatement activities is a key tool to preserving high-quality residential neighborhoods. Both Imagine Roseville 2025 and the City's 2030 Comprehensive Plan support property maintenance as a means by which to achieve neighborhood stability. The Housing section of Imagine Roseville suggests that the City "implement programs to ensure safe and well-maintained properties." In addition, the Land Use chapter (Chapter 3) and the Housing and Neighborhoods chapter (Chapter 6) of the Comprehensive Plan support the City's efforts to maintain livability of the City's residential neighborhoods with specific policies related to property maintenance and code compliance. Policy 6.1 of Chapter 3 states that the City should promote maintenance and reinvestment in housing and Policy 2.6 of Chapter 6 guides the City to use code-compliance activities as one method to prevent neighborhood decline.
