Item No.: 14.c

Department Approval

City Manager Approval

Item Description: Human Rights Commission Vacancies

BACKGROUND

Three members of the Human Rights Commission have resigned in the past month. Commissioners are appointed to three year terms. When a person resigns mid-term the City Council declares a vacancy and appoints someone to fulfill the term. These terms expire March 31, 2016, March 31, 2017, and March 31, 2018.

REQUESTED COUNCIL ACTION

Declare vacancies on the Human Rights Commission and direct staff to advertise for applications to serve on the commission.

Set a deadline for applications to be due to the City by August 5. Staff would schedule interviews for the August 10 Council meeting, with the Council making an appointment at the August 17 work session.
