The "Creative Crossroads" series features a different world region each Sunday evening. The goal of the series is to illustrate similarities and differences across cultures through performance styles. This year's series will include opportunities for comparing multiple dance forms like Salsa, Somali and Polka steps, and rhythms from Flamenco to Hip Hop. Sunday events will also offer dance instruction and/or audience participation activities.

All performances are at
The Frank Rog Amphitheatre in Roseville's
Central Park at 2540 No. Lexington Ave.
