### Nature Journaling Art Skills:

### Meet the Creatures

Adults or children 8+yrs with an adult partner

Drawing made easier for every skill level! Join an online ZOOM group\* to learn clever sketching techniques using animal models. Gain confidence in your artistic abilities and create a beautiful collection of drawings by building on the instruction of scientific illustrator Cora Hays. Use your own journal, sketchbook or drawing paper, a favorite pencil and/or eraser for exploration and discovery through art. No previous art experience necessary.

*\*internet connection and free ZOOM app required*
