### **Coronavirus (COVID-19): Tips for Dementia Caregivers**

Most likely, dementia does not increase risk for COVID-19, like dementia does not increase risk for flu. However, dementia-related behaviors, increased age and common health conditions that often accompany dementia may increase risk. ## **Alzheimer's Foundation of America**

### **Get a Free Virtual Memory Screening**

Alzheimer's Foundation of America offers free, online memory screening Mondays and Wednesdays, 10 AM to 4 PM ET, Fridays 10 AM to 2 PM ET by appointment.

Memory screenings are simple, quick and noninvasive, and consist of a series of questions to gauge memory, language, thinking skills and other intellectual functions. The memory screening takes approximately 10-15 minutes and is confidential. Memory screenings are

similar to other routine health screenings, such as those for blood pressure, cholesterol and skin checks.

Results are not a diagnosis, but a memory screening can suggest if someone should see a physician for a full evaluation. Early detection is important because it can enable the person to begin medications sooner, participate in a clinical trial and take a more active role in developing their care plan.

Anyone wishing to get a free memory screening should call AFA at 866-232-8484 or click [here](#) to schedule an appointment. Appointments are required and scheduled on a first-come, first served basis.

Sign up for the Memory Collective and experience how online relationships can bring joy and laughter into your life!

For the first seven weeks, you and (if desired) a guest of your choosing (e.g., friend, family member, spouse) will gather virtually with others for a 90-minute online Zoom session facilitated by Lyngblomsten staff. Each session will feature a variety of educational topics and activities, as well as time for you and other participants to share your life experiences as you learn from one another and build a social group.

The theme for the Summer 2022 quarter is Minnesota Travel. On the eighth week, the group will come together for a tour at a local location.

This enrichment class can accommodate eight participants each day (Tuesday and Friday). Fee: \$175 for eight sessions (less than \$25 per session); covers any guests who may attend the sessions. There may be an additional small fee to cover the in-person outing.
