

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: October 24, 2022
Item No.: 10.b

Department Approval

City Manager Approval

Item Description: Resolution Requesting SCORE Funding from Ramsey County

BACKGROUND

State law requires counties to manage the waste produced by citizens and businesses by waste reduction, reuse, and recycling in preference to landfilling. In 1989, the Legislature adopted legislation, based on recommendations made by the Governor's Select Committee on Recycling and the Environment (SCORE), to increase waste reduction, reuse, and recycling. Among other things, SCORE statutes authorize state grants for recycling, managing problem materials, educating the public, and other related activities.

Ramsey County passes through a portion of its SCORE funding to cities. The County requires the funding be used for waste reduction, reuse and recycling programs. The County further requires cities to have a permanent source of funding for their waste reduction, reuse and recycling programs. Roseville responded by approving the establishment of a recycling fee that has been included as a part of the quarterly utility bill.

Ramsey County has announced that cities may request SCORE funding for 2023. Amounts are based on the funds received from the State and based on the city's population. In 2022, Roseville received \$89,291.00.

In 2022, SCORE grant funds were used to supplement the curbside recycling program and to fund Zero Waste operations at City events. The 2023 funds are proposed to be used again for Zero Waste events and for the general curbside recycling program.

FINANCIAL IMPLICATIONS

The use of SCORE grant funds will be used to pay a portion of the Curbside Recycling Program costs as well as help fund elements of the Zero Waste events throughout the year.

STAFF RECOMMENDATION

It is recommended the Council adopt a resolution requesting SCORE funding from Ramsey County.
