I am writing to express my support for Prince of Peace regarding the two small dwellings on their property. I'm not affiliated with the church in any way, but I read the city staff's request to council and felt it was important to speak up.

The recommendation to provide an interim use option for this situation seems eminently reasonable to me, and I hope council chooses to adopt it. I further hope that the ongoing study in Saint Paul leads to some creative new solutions for both cities. I appreciate city staff's commitment to safety and upholding the

law, but this seems like an excellent opportunity for lawmakers to ensure that the current land use and zoning definitions meet the current needs and values of our community.

Thank you for your consideration.
