Sorry for the delay in this email but I want to say a huge thank you to all the wonderful people who make this event possible and who play such a critical role in its success!

First of all I would like to say thank you to Mrs. Hester and her wonderful welcome to everyone! To Mrs. Tennison, and Mr. Singer for coming every year and supporting it really means a lot to both the students and the team. The amazing team of Maider, Zin Zin, Allison, Yad, and Mr. Anderson & Ms. Helmick who do such a great job with the presentation. To the students who come all year and plan what each part will look like. To all the volunteers, coordinators, contributors, raffle donations. Don Lehman's engineer team for all their hard work before and after! Mr. Whisler for his diplomacy and hard work! Mrs. Crosby for all her help on the day of the show! Mrs. Huseh for always being wonderful and making the budget work! Mrs. Crandall & Ms. Nichols for help with the program!

Sadly this is my last year coordinating this event and next year will need a fresh face to plan this really worth while event!

Please let me know if you have any interest in assuming this role!

Thank you
Carolyn Ellis
