

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: October 7, 2019
Item No.: 9.e

Department Approval

City Manager Approval

Item Description: Approve Toward Zero Deaths (TZD) Agreement with City of St. Paul

1 **BACKGROUND**

2 Minnesota's Toward Zero Deaths (TZD) is the state's cornerstone traffic safety program, employing an
3 interdisciplinary approach to reducing traffic crashes, injuries, and deaths on Minnesota roads. While
4 individual disciplines have a long history of successful traffic safety programs, TZD aims to tie these
5 together with a common vision and mission for even greater success. The TZD program uses data to
6 target areas for improvement and employ proven countermeasures.

7 The TZD program team works in partnership with community and corridor groups to improve the traffic
8 safety of a designated area. TZD provides technical assistance, materials, and guidance to local groups
9 that are committed to reducing crashes and the fatalities and severe injuries that result from them.

10 Individual campaigns known as *Click it or Ticket*, *Safe & Sober*, along with others are included in the
11 ongoing TZD program. The Roseville Police Department has a long history participating in these
12 programs to promote traffic safety.

13 The St. Paul Police Department submitted an application to the Minnesota Department of Public Safety
14 to receive funds for the 2019-2020 TZD project. As part of a larger grant to the St, Paul Police
15 Department, the Roseville Police Department is eligible to receive up to \$10,686.00 in reimbursement for
16 participation in the *TZD* project beginning October 1, 2019 through September 30, 2020 to offset
17 increased personnel overtime cost for traffic enforcement.

18 The St. Paul Police Department and the Roseville Police Department will enter into a grant agreement with
19 the Minnesota Department of Public Safety, Office of Traffic Study for the TZD project during the above
20 stated period.

21
22 Roseville's Officer Jacob Swanson will be coordinating the grant activities for Roseville. Officer Swanson
23 has extensive experience with coordinating efforts for TZD traffic control details.

24
25 The funds awarded to the Roseville Police Department will cover officer overtime.

26
27 The City attorney has approved the Agreement.

28 **POLICY OBJECTIVE**

29 Upon approval from the Council to accept the City's portion of the grant funds, Officer Swanson will
30 coordinate scheduling and tracking methods to ensure adequate overtime patrol coverage for all waves of
31 the *Toward Zero Deaths* Campaign.

32 **FINANCIAL IMPACTS**

33 None. There is no city match requirement for this funding.

34 **STAFF RECOMMENDATION**

35 The police department is recommending that it be allowed to accept the grant funds to participate in the
36 2019-2020 *Toward Zero Deaths* campaign.

37 **REQUESTED COUNCIL ACTION**

38 Adopt the Traffic Safety Grant authorizing the Roseville Police Department to enter into an agreement
39 with the St. Paul Police Department and the Minnesota Department of Public Safety to execute the *Toward*
40 *Zero Deaths* project for the period October 1, 2019 through September 30, 2020.

62 Officer Jacob Swanson
63
64

65 B. The Provider has designated Jacob Swanson, Officer as the

96 said work products or supporting documentation vesting in the Provider.
97

98 C. Unless otherwise required under State or Federal data privacy law, the Provider agrees
99 not to release, transmit, or otherwise disseminate information associated with or generated as a

109 E. The Provider agrees to maintain all business records in such a manner as will readily
110 conform to the terms of this Agreement to make such materials available at its office at all
111 reasonable times during this Agreement period and for six (6) years from the date of the final
112 payment under the contract for audit or inspection by the City, the Auditor of the State of

123 for work under this Agreement because of race, color, religion, gender, age, sexual orientation,
124 or national origin and will take affirmative steps to ensure that applicants are employed and
125 employees are treated during employment without regard to race, color, religion, gender, age,
126 sexual orientation, or national origin.

134 all applicable rules, regulations, and standards established by any agency of such governmental
135 units, which are now or hereafter promulgated insofar as they relate to the Provider's
136 performance of the provisions of this Agreement. It shall be the obligation of the Provider to
137 apply for, pay for, and obtain all permits and/or licenses required.
138

139 **SECTION 9: Independent Contractor.**

140 A. It is agreed by the parties that, at all times and for all purposes within the scope of this
141 Agreement, the relationship of the Provider to the City is that of an independent contractor and
142 not that of employee. No statement contained in this Agreement shall be construed so as to find
143 the Provider an employee of the City, and the Provider shall be entitled to none of the rights,
144 privileges, or benefits of City employees.

145
146 **SECTION 10: Subcontracting.**

147 A. The Provider agrees not to enter into any subcontracts for any of the work
148 contemplated under this Agreement (unless specifically outlined in the grant) without obtaining
149 prior written approval of the City.

150
151 **SECTION 11: Hold Harmless.**

153 agents and officials. Nothing in this agreement shall constitute a waiver by either party of any
154 statutory or common law defenses, immunities, or limits or exceptions on liability.

155
156 **SECTION 12: Assignment.**

157 A. The City and the Provider each binds itself and its successors, legal representatives,
158 and assigns of such other party, with respect to all covenants of this Agreement; and neither the
159 City nor the Provider will assign or transfer their interest in this Agreement without the written
160 consent of the other.

161
162 **SECTION 13: Termination.**

163 A. This Agreement will continue in full force and effect until completion of the
164 Provider's services as described herein unless either party terminates it at an earlier date. Either
165 party to this Agreement may terminate it by giving no less than thirty (30) days written notice of
166 the intent to terminate to the other party.

167
168 B. With Cause. The City reserves the right to suspend or terminate this Agreement if
169 the Provider violates any of the terms or conditions of this Agreement or does not fulfill, in a
170 timely and proper manner, its obligations under this Agreement as determined by the City. In the
171 event that the City exercises its right to suspend or terminate under this Section, it shall submit
172 written notice of suspension to the Provider, specifying the reasons therefore, and the date upon
173 which such suspension becomes effective. Within ten days of receipt of such notice, the
174 Provider shall take all actions necessary to cure the default. If the Provider fails to cure the
175 default within the ten-day period, the Agreement is immediately terminated. Upon termination
176 of this Agreement, the Provider shall discontinue further commitments of funds under this
177 Agreement.

178
179 C. In the event of termination, the City will pay the Provider for all services actually
180 timely, and faithfully rendered up to the receipt of the notice of termination and thereafter until
181 the date of termination. The Provider will deliver all work products and supporting
182 documentation developed up to the date of termination prior to the City rendering final payment
183 for services.

185 **SECTION 14: Default by Provider.**

186 A. In the event Provider fails or neglects to comply with any term or condition of this
187 Agreement or to provide the services stated herein, City shall have the right, after written notice,
188 to cease payment hereunder. This remedy shall be in addition to any other remedies, including
189 termination, available to the City in law or equity.

190
191 **SECTION 15: Amendment or Changes to Agreement.**

192 A. The City or the Provider may request changes that would increase, decrease, or
193 otherwise modify the Scope of Services.

194
195 B. Any alterations, amendments, deletions, or waivers of the provisions of this
196 Agreement shall be valid only when reduced to writing and duly signed by the parties.

199 rights or causes of action which have accrued prior to the effective date of such amendment,

215 waiver or a termination of that right, this Agreement, or any of this Agreement’s provision.

216
217 **SECTION 18: Survival of Obligations.**

218 A. The respective obligations of the City and the Provider under these terms and
219 conditions, which by their nature would continue beyond the termination, cancellation, or

Office of Traffic Safety Grant Program Guidelines

Financial Requirements:

Payments under this grant agreement will be made from federal funds obtained by the State under the U. S. Department of Transportation's State and Community Highway Safety Program, Catalog of Federal Domestic Assistance (CFDA) Number 20.600, 20.608, 20.616. The grantee is responsible for compliance with all federal requirements imposed on these funds and accepts full financial responsibility for any consequences imposed by the grantee's failure to comply with federal requirements.

Reimbursement of Funds

Only costs associated with approved activities on this project can be claimed for federal reimbursement. The grantee will report on all expenditures and program income pertaining to this grant agreement. Claims shall be supported by written documentation including receipts, invoices, and personnel time reports. All costs reimbursed with these federal funds must be actual costs to the billing agency. Federal grant funding cannot be used to supplant any personnel, programs, or activities currently funded by another source.

The State has an obligation to determine if fringe benefit costs to be reimbursed by this grant contract are reasonable. If requested, the grantee must furnish an explanation of the basis for such rates. Fringe benefits must be accounted for separately from salary costs on back-up documentation of invoices.

Expenditures for each state fiscal year of this grant contract must be for services performed within applicable state fiscal years. Every state fiscal year begins on July 1 and ends on June 30. NHTSA federally funded projects run on the federal fiscal year, beginning on October 1 and ending on September 30. The final claim for reimbursement for the project for costs incurred through June 30, 2020 (the first state fiscal year) must be received by July 31, 2020. The final claim for reimbursement for the project for costs incurred through September 30, 2020 must be received no later than October 31, 2020.

Reporting Requirement

Reporting requirements are those agreed upon terms in the Work Plan that was approved by OTS. All projects require a final report as described in the Work Plan that was approved by OTS.

Monthly Invoices and Progress Reports are required to be submitted to the OTS on the 15th of the month following the date of activity (unless otherwise stated within grant documentation).

Quarterly Invoices and Progress Reports are required to be submitted to the OTS on the following schedule (unless otherwise stated within grant documentation):

- Monday, Jan. 20, 2020: All project activity between Oct. 1 and Dec. 31, 2019
- Monday, April 20, 2020: All project activity between Jan. 1 and March 31, 2020
- Monday, July 20, 2020: All project activity between April 1 and June 30, 2020
- Monday, Oct. 19, 2020: All project activity between July 1 and Sept. 30, 2020

Final Report Requirement

A final Report is due Oct 31, 2020, unless otherwise stated within grant documentation.

Match

Matching funds are not a requirement for the grant, however, expenses related to the project that are paid for with state, county, municipal and/or private funding clearly demonstrate a vested interest and real commitment to the project. Appropriate matching funds must be reported on the invoice and documentation for them included with the invoice.

Budget Revision

The grantee shall submit a written budget revision request and obtain written approval from the OTS Authorized Representative before any expenditure may be made based on a revised budget.

Record Retention

Under [Minn. Stat. 16B.98, subd. 8](#), the grantee shall retain all financial records for a minimum of six years after the expiration of the grant agreement or until any audit findings and/or recommendations from prior audit(s) have been resolved between the grantee and DPS, whichever is later.

Program Income

Is any revenue/cash received for an activity funded by the grant or contract? Program income would include a fee for services (such as a registration fee for a conference or class in full or in part subsidized with federal funds) or fees from the sale of commodities or items made with grant funds. The grantee is responsible for tracking all program income with the same level of detail as federal funds and reporting earned income to OTS along with invoices. Program Income can be either deducted from the costs of the project to OTS or can be an addition to the project budget provided by OTS; which option must be specified and detailed in the budget and work plan. It must be expended during the Federal Fiscal year it was earned. Income approved and specified in the work plan and budget is to be used as an addition to the project and can only be used for purchases that would be considered allowable expenses.

Resolutions:

A Resolution from a city council or county board is required from the applicant agency. This resolution authorizing the agency to apply for and accept the grant funding is needed before the project begins. Information and an example of a resolution can be found in Attachment D. Deviations from the example (such as including a specific dollar amount or an individual's name rather than title, or changing the date) will likely cause delays in processing grants and may not be acceptable. The OTS is unable to enter into an agreement until the resolution has been passed and a copy has been received by the state's authorized representative

Equipment:

Because of the strict timelines for final claims for reimbursement, it is usually not possible to order, receive and pay for equipment during the last quarter.

Any piece of equipment that costs more than \$5,000 (including taxes, shipping and installation), is subject to the Buy America Act. Whether the NHTSA funds are used for the entire purchase or any portion of the purchase, it must be approved in writing by the NHTSA before it is ordered. Contact the OTS authorized representative to request that approval.

Any equipment requested to be purchased, either entirely or partially with grant funding, must be used to support the traffic safety program and pre-approved in writing by the OTS. Further, it shall be used primarily for grant-related purposes during the life of the equipment. The grantee may not deviate from this requirement. The grantee shall be responsible for all operating, maintenance, and repair costs of equipment purchased under this grant contract unless otherwise specified. Title to equipment acquired under this grant contract shall vest upon the grantee. Grantee must obtain prior written approval from OTS of any plan to trade-in, sell, surplus, or otherwise dispose of any piece of equipment purchased in whole or in part through this agreement.

Training Requirements

The grantee shall attend meetings and training as required by OTS.

Travel

Travel costs must be planned on a separate line in the budget and discussed in the work plan. When approved, reimbursement for travel and subsistence expenses actually and necessarily incurred by the

Grantee as a result of this grant contract will be paid in the same manner and in no greater amount than provided in the current "Commissioner's Plan" promulgated by the commissioner of Employee Relations which is incorporated into this grant contract by reference. Out of state travel must have prior written approval by the OTS authorized representative.

Approval of Subcontracts

All sub-contracts must be reviewed and approved in writing by the OTS authorized representative before the sub-contracting process begins. The OTS Coordinator must be provided with a copy of the sub-contract.

Invoices from a sub-contract not approved by the OTS Coordinator may not be eligible for federal reimbursement.

Evaluation and Monitoring

OTS shall have the authority to evaluate and monitor the performance and financial records of the grantee.

Risk Assessment:

The federal government requires a pre-award risk assessment for all grant applications. The Office of Traffic Safety has a section within the E-grants application to provide the information needed from applying agencies, in order to complete the risk assessment.

Federal and State Provisions

This grant agreement is subject to all applicable federal and state statutes and regulations, including, but not limited to the following:

Common Rule: [49 CFR Part 18.37](#) specifically (2)

SUBGRANTS

§18.37 Subgrants.

- a) States. States shall follow state law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:
 1. Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;
 2. Ensure that subgrantees are aware of requirements imposed upon them by Federal statute and regulation;

While the subgrantees signs the certifications and assurances, the need to include the language from the original certifications and assurances that is listed under Appendix A to Part 1300—Certification and Assurances for Highway Safety Grants ([23 U.S.C. Chapter 4](#)) applicable to the subrecipients is important. This way the grantee or contractor will have the whole language and an idea of what they are signing before and thus OTS is doing all it can to make sure the grantee or contractor are aware of the requirement imposed upon them by Federal statute and regulation

The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall

disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.
4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

BUY AMERICA ACT

(applies to subrecipients as well as States)

The State and each subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal funds. Buy America requires a State, or subrecipient, to purchase only steel, iron and manufactured products produced in the United States with Federal funds, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification to and approved by the Secretary of Transportation.

PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE

POLICY ON SEAT BELT USE

In accordance with Executive Order 13043, Increasing Seat Belt Use in the United States, dated April 16, 1997, the Grantee is encouraged to adopt and enforce on-the-job seat belt use policies and programs for its employees when operating company-owned, rented, or personally-owned vehicles. The National Highway Traffic Safety Administration (NHTSA) is responsible for providing leadership and guidance in support of this Presidential initiative. Additional resources are available from the Network of

Employers for Traffic Safety (NETS), a public-private partnership headquartered in the Washington, D.C. metropolitan area, and dedicated to improving the traffic safety practices of employers and employees. NETS is prepared to provide technical assistance, a simple, user-friendly program kit, and an award for achieving the President's goal of 90 percent seat belt use. NETS can be contacted at 1 (888) 221-0045 or visit its website at www.trafficsafety.org.

POLICY ON VEHICULAR PURSUITS
