In the event that, while operating in Roseville, a collection vehicle leaks or spills either vehicle fluids or fluids or debris from material collected the company must contact the City within one business day with information regarding the material involved, the amount of material involved and the steps taken by the company to mitigate and remediate damage. This contact does not absolve the company from liability.

The City expects that in the case of a natural or man-made disaster or a public health crisis your company will be able to continue service. Your company should plan for continuity of operations through an emergency operations plan. Does your company have an emergency operations plan? [X] Yes [] No

Your company must notify the City when you activate your emergency operations plan, and inform the City of relevant information regarding provision of collection service under the plan.

Solid waste collection will be provided to (check all that apply):

- Residential (single family, duplex, triplex, fourplex)
Multiple Residential (apartment, condominium, manufactured home park, and townhouse)
[X] Commercial/Industrial

Number of vehicles the applicant proposes to use in the collection of solid waste 1

Name and address of each transfer station, disposal facility and composting facility used for each of the following:
(attach additional pages if needed)
