Agenda Item

DATE: June 16, 2021

ITEM:

ITEM DESCRIPTION: Support of 2021 Proclamations Discussion

Background

The list of 2021 Proclamations to be made by the City Council has been approved and is ongoing each month. HRIEC appointed a subgroup to review ways in which HRIEC can provide additional support to the 2021 monthly proclamations. An additional discussion is needed by HRIEC on additional action that may be attached to future proclamations.

In the special meeting held June 9, 2021, HRIEC members agreed to identify a monthly proclamation they are passionate about and develop an idea to support it through additional action, policy, or celebration. This agenda item is a carry over from this special meeting.

Recommendation

This agenda item is for discussion purposes and to assign tasks/projects to each monthly proclamation to come.
