

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: November 8, 2021
Item No.: 9.g

Department Approval

City Manager Approval

Item Description: Adopt a Resolution to Authorize Transfer of Two Police Vehicles

BACKGROUND

The Roseville Police Department (RPD) prioritizes emergency vehicle operations training in an effort to reduce police officer line of duty deaths, as well as civilian fatalities and injuries. For several years, the Department rented a driving track and utilized in-house training instructors, providing classroom training and behind-the-wheel driving exercises with City-owned vehicles (older model Ford Crown Victoria police squad vehicles). However, due to staffing and cost restrictions, Roseville police officers now train at Dakota County Technical College's Public Safety Training Center Decision Driving Range.

Dakota County Technical College is a public, two-year institution of higher learning offering a law enforcement training program with courses approved for peace officer continuing education credit. Courses offered include state mandated emergency vehicle operations / pursuit driving training held on location at the Public Safety Training Center Decision Driving Range.

The Roseville Police Department wishes to transfer ownership of its two police training vehicles, both older Ford Crown Victoria models, to Dakota County Technical College's Public Safety Training Center, eliminating the City's annual vehicle storage, maintenance and fuel costs.

A formal transfer of ownership agreement between the City of Roseville and Dakota County Technical College will be drafted.

POLICY OBJECTIVE

Adopt a resolution allowing the Roseville Police Department to enter into a formal transfer of ownership agreement between the City of Roseville and Dakota County Technical College to transfer ownership of the Roseville Police Department's 2008 and 2005 Ford Crown Victoria police vehicles to Dakota County Technical College's Public Safety Training Center.

FINANCIAL IMPACTS

A reduction in financial impact to the City is expected due to reduced annual vehicle storage, maintenance and fuel costs and a two-day driving track rental fee credit (\$2200 value).

STAFF RECOMMENDATION

The police department is recommending City Council adopts a resolution authorizing transfer of ownership of two Roseville Police Department police vehicles to Dakota County Technical

30 College's Public Safety Training Center for state mandated emergency vehicle operations/pursuit
