

# Roseville Public Works, Environment and Transportation Commission

## Agenda Item

---

---

**Date:** November 23, 2021

**Item No:** 5

---

**Item Description:** Commission Youth Member Applicant

---

**Background:**

The PWET Commission currently has an opening for a Youth Member. While not a required member of the commission, we were fortunate to have our first youth member over the last two years and are looking to replace that position if there are interested individuals.

As part of a wider solicitation for youth members for several commissions, we received one application for the PWET Commission.

Rose Gasongo is a Roseville resident and a junior at Roseville Area High School where she is involved in many groups and activities including the AVID Leadership Council and the RAHS Progressives Club as well as serving as stage manager for the current RAHS drama production.

The Commission has the opportunity to meet the applicant, ask some questions and then provide a recommendation to the City Council for potential appointment as the Youth Member for the PWET Commission.

**Recommended Action:**

Meet with youth member applicant Rose Gasongo and consider a recommendation to the City Council.
