STILLWATER HISTORIC TOURS AND LUNCH

Thursday, September 22

REGISTRATION OPEN NOW!

Join us on a trip back into history as we visit two popular historic destinations in Stillwater, Minnesota. The newly-constructed Washington County Heritage Center has a wealth of exhibits and displays to show the rich history of Washington County. The trip includes the keynote exhibit "From the Woods to the World", featuring how logging impacted Stillwater. The Warden's House Museum was built in 1853 as the residence of the Minnesota Territorial Prison warden. Over the next six decades, there were 13 wardens that lived in the house until 1914 when the prison moved to its present site in Bayport. Lunch will take place between the two locations at the Lowell Inn. Following the Warden's House Museum tour, participants will have time to visit and shop

BELL MUSEUM INCLUDING THE PLANETARIUM WITH OLIVE GARDEN LUNCH

Wednesday, November 16

Our trip will begin with a delicious Italian lunch and great fellowship at the Olive Garden in Roseville. We will select from three tasty lunch options including: Fettucine Alfredo, Spaghetti and Meatballs or a Vegetarian option of Eggplant Parmesan. After our lunch, we will take a short bus ride to the Bell Museum, located on the University of Minnesota Twin Cities campus in Saint Paul. Get ready for an amazing journey that travels from the far reaches of the cosmos to deep inside the human brain in the Whitney and Elizabeth MacMillan Planetarium. Explore the origins of the universe, the diversity of life on earth, and take a walk through the State of Minnesota, featuring our world famous wildlife dioramas. Engage all your senses in our Touch and See Lab with 10,000-year-old fossils, living plants and animals, and more. We will have time to explore the museum and enjoy a planetarium performance.

OLD LOG THEATER - ONCE UPON A MATTERESS

Thursday, October 13

Many moons ago in a far-off place, Queen Aggravain decreed no couples could marry until her son, Prince Dauntless, found a bride. Princesses came from far and wide to win the hand of the prince, but none could pass the impossible tests given to them by the Queen. That is, until the "shy" swamp princess, Winnifred the Woebegone, showed up. Would she be able to pass the Sensitivity Test, marry her prince and help Lady Larkin and Sir Harry to the altar?

EUROPEAN CHRISTMAS MARKET AND HOLIDAY LIGHTS TOUR OF ST. PAUL

Friday, December 9

Start the afternoon with a stop at the European Christmas Market in St. Paul. This is the most authentic traditional holiday market of its kind in Minnesota, based on the festive open-air Christkindl Markets that spring up in Germany, Austria, and other European countries during the Advent season. Offering a unique shopping experience, family-friendly entertainment and intercultural activities, you'll experience the enticing aromas of Glühwein, roasted nuts, sizzling sausages, and other mouthwatering treats while listening to entertaining live music. Shop for handmade European crafts or unique gifts from local vendors, drink Glühwein (spiced mulled wine), and taste European inspired delicacies. Then, with your bellies and shopping bags full, re-board your coach bus to take in a tour of the lights of the season before returning home.
