2025 Service Guide

Greetings from your WM team,

We're honored to help you and your neighbors keep our community clean and green. This 2025 Service Guide contains your every-other-week recycling collection schedule and tips to help you recycle right. See the inside panel to learn what materials are acceptable to recycle and remember - don't bag your recyclables. Place them loose in your recycling cart.

Please keep this Guide handy.

Please help our drivers work safely and efficiently by placing your recycling cart properly at the curb.

Remember to place your cart at least 3 feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to lift and empty the cart. The wheels of the cart should face the house. In inclement weather, please do not place your carts on top of snowbanks.

- Empty recyclable materials directly into your recycling cart - don't bag recyclables
- Containers that held food should be rinsed and free of food debris

Always Recycle

Recycling cart must be at the curb by **7 a.m.** with the lid opening facing the street. The city of Roseville requests all recycling carts be stored out of view from the street on non-recycling days.

For holidays falling on a weekday during your recycling week, collections on and following the holiday will be delayed by one day.
