# Alcohol Compliance Checks

May 16, 2019

## 2019 Alcohol Compliance Checks

The Roseville Police Department will conduct a minimum of two citywide alcohol compliance checks in 2019. The police department conducts compliance checks to ensure Roseville alcoholic beverage license holders are complying with state law and city code. When Roseville began alcohol compliance checks in 1997, the compliance rate was only 70%. Our goal is to achieve 100% compliance.

## Required Training

Roseville Code requires all licensees, managers, and all employees who serve alcohol complete city-approved or provided training program.

- The required training shall be completed prior to an employee serving or selling alcohol.
- The training must be completed on an annual basis for all employees who serve or sell alcohol.
- More information on the manager and server training can be found on the police department's [website](#).

## Documentation of Training

Your business must maintain documentation that you have properly trained every employee that sells or serves alcohol. Per city code, this documentation must be provided to a police officer or designated city employee. Additional penalties may be assessed if you are unable to provide documentation or it is determined an employee did not undergo the required training.

## Penalty for Noncompliance

In addition to any criminal penalties, the City Council may suspend a license for up to 60 days, revoke a license, and/or may impose a civil fine on a licensee. The mandatory minimum penalty for the sale of alcoholic beverages to underage individuals is a \$1,000 fine for the license holder and a one day suspension for on-sale establishments. Additional administrative penalties will be imposed when there is a history of violations.

## Additional Information

Any questions regarding compliance checks, training, city code, or state laws can be directed to Deputy Chief Erika Scheider at (651) 792-7213 or [erika.scheider@cityofroseville.com](mailto:erika.scheider@cityofroseville.com). Additional information can be found at:
