Volunteers are needed to serve as Concert Host(s) at Central Park. We have an amazing array of local talent providing free music at a great outdoor venue – no better way to enjoy a Minnesota summer! Volunteer hosts assist in unlocking and locking the building, helping set up the stage with chairs and microphones, and making announcements. A great way to add “band roadie” to your list of accomplishments, without the late nights or travel – just the fun of making live music possible for your community members. Five concert minimum requested. Call now to reserve your spot at your favorite concerts.
