

Reservoir Woods Park Neighbor:

One of the priorities of the Parks and Recreation System Master Plan and City Pathway Master Plan is to improve connectivity and walkability to, and within, our city parks. These plans have developed a vision of what Roseville's pedestrian infrastructure will be as we move into the future.

With funding in place, the following improvement to the trails in Reservoir Woods Park is planned:

The existing unpaved path from Wagner St. into the park will be paved and graded to improve access.

Due to concerns about the COVID-19/Coronavirus, staff will be accepting feedback on this project via phone at (651) 792-7107 or email at jim.taylor@cityofroseville.com. If you have any questions please don't hesitate to reach out.

Sincerely,

Jim Taylor
Parks Superintendent
