

Notice of Polling Place Change
As required by MN Statutes 204B.175
City of Roseville

Notice is hereby given that, effectively immediately, the polling place for Roseville Precinct 1 will be relocated from Centennial United Methodist Church (1524 County Road C2 W, Roseville) – which has become unavailable for use as a polling place per the direction of the facility management – to Roseville Covenant Church (2865 Hamline Ave N, Roseville).

The Ramsey County Elections Office was notified of this decision after the July 1, 2020 deadline to establish polling places and, as a result, has followed the direction of MN Statutes 204B.175 and located an appropriate new polling place in the precinct's area.

Roseville Covenant Church (2865 Hamline Ave N, Roseville) has made their facility available and meets the federal and state standards to serve as a polling place. The size of this facility will allow voters and election judges to properly implement public health guidelines of social distancing to help prevent the transmission of COVID-19.
