

Closing the Distance

Fall, 2020

Harriet Alexander Nature Center

Dear Parents and Friends: The staff at HANC have researched and evaluated how to best offer new and modified programs and activities that follow Minnesota Department of Health (MDH) and Centers for Disease Control (CDC) guidelines for safety during the Covid-19 pandemic. We are excited to offer quality programs that can also accommodate current Distance Learning schedules in Roseville schools. Each program will have a Safety Sheet posted on our website for you to review prior to the start. We look forward to seeing you soon!
