

# Program/Event COVID Safety Sheet

Date Updated: 5/6/21

**PROGRAM NAME:** Adult Softball

**Program Contact:** Josh Thygesen

## Program has been modified:

- *Participants will stay at least 6 feet apart at all times. To allow social distancing, please stand outside of the field when your team is up to bat. Spread out between the dugout area and fence to allow proper distancing.*
- *No handshakes or team huddles. Teams to clean their dugout of all trash and other items after each game and to wipe down (clean) hard surfaces such as benches, bat racks etc.*
- *No more than 4 players should be in the dugout at one time. The rest of the team should be spread out outside of the dugout. Masks must be worn when not competing.*
- *No spitting or use of sunflower seeds*
- *One coach per team will conduct a pregame meeting at home plate. All involved are requested to keep 6 feet social distancing during ground rules and coin toss.*
- *The catcher, umpire and batter should all maintain 6 feet of social distancing during games.*
- *No congregating will be allowed before, after or during games.*
- *Teams may have a maximum of 12 players participate in each game.*
- *Limit sharing of bats whenever possible and players should use their own equipment whenever possible.*
- *Games will be 55 minutes long and teams should not enter dugouts until the previous team has completely exited.*

## Arrival and Departure Information:

- *No congregating will be allowed before, after or during games.*
- *Players should arrive no more than 15 minutes prior to a game and should exit the park as soon as possible after their game.*

## Spectator Information:

- *Spectators are discouraged. If spectators do attend, they should position themselves away from the infield area where teams are.*

## Basic Cleaning Information:

- *Any area of high touch should be cleaned by each team when exiting the dugout.*

## Facial Covering Information:

- **Recommendation:** *Participants are strongly recommended to either wear a face covering at all times (including while actively practicing or playing) or test all participants weekly for COVID-19.*
