Program has been modified:

A mostly outdoor program taking place on nature center grounds, including activity stations, demonstrations, and performances.

Limited indoor offerings include honey extraction, several passive displays and a small reading corner. Masks will be required for everyone entering the building.

Arrival and Departure Information:

No minimum or maximum number of participants (except building capacity of 75 in upper level).

Spectator Information:

Spacing for performance and demonstration audiences will be per individual preference.

Basic Cleaning Information:

- Food area tables will be sanitized throughout the day.
- Bathrooms will be cleaned and sanitized before start of the event.
- Shared items will be sanitized between uses as time allows.

Facial Covering Information:

All staff, sponsors, volunteers and participants (2+ years old) will be required to wear face coverings inside the nature center. All persons will provide their own masks, but we will have some replacements available if needed.

Other Information:

Event exhibitors and vendors will follow this safety plan in addition to anything of their own not included here.
