CURRENT RESIDENT

RE: 2023 Pavement Management Project – Garden Avenue Pre-Construction Meeting

Dear Resident:

The City of Falcon Heights is moving into the construction phase for the 2023 Pavement Management Project. This project will include the reconstruction of Garden Avenue from Snelling Avenue to Hamline Avenue. The City invites residents who live adjacent to Garden Avenue to a construction meeting ahead of our contractor's start date to provide information about the construction process and impacts.

Date: Wednesday, June 7th
Time: 5:30 to 6:30pm
Place: Falcon Heights City Hall

Staff will make a presentation about the construction schedule and phasing. After the presentation, we will be available to discuss the project and answer questions. If you are unable to attend, you are welcome to call or email, especially if you have specific questions or concerns you would like to discuss.

The 2023 Pavement Management Project will also include pavement rehabilitation on additional neighborhood streets, but that will not be the focus of this meeting.

Meeting materials will be available after the meeting at: www.cityofroseville.com/FH2023PMP

If you are not able to attend but have questions or would like to offer input, please contact me at 651-792-7048 or stephanie.smith@cityofroseville.com.

Sincerely,

Stephanie Smith, MN P.E.
Interim-City Engineer
